

Energy Exploration International Mid-Year 2008 Corporate Update

Wednesday July 30, 4:39 pm ET

DALLAS, TX--(MARKET WIRE)--Jul 30, 2008 -- [Energy Exploration International, Inc.](#) ("EEI") announces that its president Mr. Curtis Best has bought out one of EEI's original shareholders. Mr. Best remains president and chief operating officer and now is its majority shareholder. Mr. Best will continue to make the management decisions and have responsibility for overall operations, long-range planning, targeting potential partners and acquisitions and helping structure its exploration and development programs.

EEI brought on an additional team of Consulting Geologists that have an impressive history and success rate. These skilled oil and gas geologists strengthen the EEI program acquisition team and are currently evaluating future prospects. EEI Operating Inc. and Property Development Group Inc. continue as EEI's operators and have many years of experience in oil and gas operations.

EEI announced it has supplemented internal accounting by hiring a Professional Oil & Gas Accounting firm, Eddy Dreyer, for Oil and Gas Processing, Joint Interest Billing, Revenue Distribution and State Regulatory Reporting and Filing.

Also an independent Oil & Gas CPA is available to advise EEI and EEI's partners on proper paperwork for international investors. He is also available to answer tax questions for partners directly. EEI is restricted from giving tax advice, but the company is circulating a questions and answers memo from the CPA for the benefit of its partners. Those Questions and Answers are available to all of EEI's partners on the company's web site.

Please note that EEI has moved into new corporate quarters at 6404 International Parkway, Suite 1550, Plano, Texas 75093. The telephone number 214-570-0280 and its fax number 214-570-0290 both remain unchanged. EEI extends an invitation to their partners to visit their offices or their project locations. To schedule a visit, contact the company in advance and they will coordinate personnel and make appropriate arrangements.

About EEI

Energy Exploration International, Inc. is an energy exploration and development company based in Plano, Texas, USA. EEI's mission is to seek out and purchase undervalued oil and gas properties with workover, completion, and/or developmental drilling prospects that also have 3D seismic for low-risk/high return potential drilling projects. For any further information, please telephone Curtis Best at 1+214-570-0280 or email investor@eei-inc.com. www.eei-inc.com.

Forward-Looking Statements

This press release contains statements, which may constitute "forward-looking statements" within the meaning of the Securities Act of 1933 and the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. Those statements include statements regarding the intent, belief or current expectations of Energy Exploration International, Inc., and members of its management as well as the assumptions on which such statements are based. Prospective investors are cautioned that any such forward-looking statements are not guarantees

of future performance and involve risks and uncertainties, and that actual results may differ materially from those contemplated by such forward-looking statements. Important factors currently known to management that could cause actual results to differ materially from those in forward-looking statements include fluctuation of operating results, the ability to compete successfully and the ability to complete before-mentioned transactions. The company undertakes no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results. If any investor has questions or knowledge of information that causes him or her concern, please feel free to contact Energy Exploration International, Inc.
